PROTECT YOUR ENGINE PROTECT THE ENVIRONMENT

Using genuine MaK parts enhances engine performance and reliability. It also reduces overall owning and operating expenses – benefits you may not get from competitive parts.

The perfect operation of your engine requires a high degree of fuel and lubricating oil purity. This is ensured by our high-quality MaK filter candles and elements.

MaK filters are OEM tested, manufactured with high precision and made of premium material.

MaK filters guarantee

- enhanced removal of impurities
- improved engine efficiency - natural resources are saved
- reduced contamination - keeping your engine cool
- ideally preserved viscosity
- less chance of filter failure and fuel bypass

FASTER AND LESS EXPENSIVE AVAILABLE WITHIN 24 HOURS

Parts are optimally packed to ensure protection from damage. We maintain close contacts with logistic partners worldwide who are specialized in ground, air, and sea transport. Each shipment is picked and dispatched most efficiently.

- damage protection case
- reusable packaging for a second life
- new packaging for ideal storage
- standard Caterpillar warranty
